¿Qué es el Formulario de Elderplan?

En este documento, usamos los términos Lista de medicamentos y Formulario para hacer referencia a lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por nuestro plan con la colaboración de un equipo de proveedores de atención médica, que representa los tratamientos con receta que se considera que son parte necesaria de un programa de tratamiento de calidad. Normalmente, nuestro plan cubrirá los medicamentos incluidos en el Formulario siempre que el medicamento sea médicamente necesario, el medicamento con receta se obtenga en una farmacia de la red del plan y se cumpla con otras normas del plan. Para obtener más información sobre cómo obtener sus medicamentos con receta, consulte la Evidencia de cobertura.

¿Puede cambiar el Formulario?

La mayoría de los cambios en la cobertura para medicamentos ocurren el 1 de enero, pero podemos agregar o retirar medicamentos de nuestro Formulario durante el año, pasarlos a un nivel de costo compartido diferente o agregar restricciones nuevas. Para realizar estos cambios, debemos cumplir con las normas de Medicare. Las actualizaciones del Formulario se publican mensualmente en nuestro sitio web: www.elderplan.org.

Cambios que pueden afectarlo este año: en los siguientes casos, usted se verá afectado por cambios de cobertura durante el año:

- **Sustituciones inmediatas de ciertas nuevas versiones de medicamentos de marca y productos biológicos originales.** Podemos eliminar un medicamento de nuestro Formulario de inmediato si lo sustituimos por una determinada versión nueva de ese medicamento. Cuando agregamos una versión nueva de un medicamento a nuestro Formulario, podemos decidir mantener el medicamento de marca o el producto biológico

original en nuestro Formulario o agregar restricciones nuevas.

Solo podemos hacer estos cambios inmediatos si agregamos una nueva versión genérica de un medicamento de marca o si agregamos ciertas versiones biosimilares nuevas de un producto biológico original que ya estaba en el Formulario (por ejemplo, si agregamos un biosimilar intercambiable que puede ser sustituido por un producto biológico original en una farmacia sin una nueva receta).

Si actualmente toma el medicamento de marca o el producto biológico original, podríamos no informarle antes de realizar un cambio inmediato, pero le proporcionaremos más adelante información sobre los cambios específicos que implementamos.

Si incorporamos un cambio, usted o la persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción y sigamos cubriendo el medicamento afectado por el cambio. Para obtener más información, consulte la siguiente sección “¿Cómo solicito una excepción al Formulario de Elderplan?”.

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la siguiente sección “¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?”.

- **Medicamentos retirados del mercado.** Si el fabricante retira un medicamento de la venta o la Administración de Alimentos y Medicamentos (FDA) determina que se retira por razones de seguridad o eficacia, podemos eliminar de inmediato este medicamento de nuestro Formulario y, posteriormente, dar aviso a los miembros que toman el medicamento.
- **Otros cambios.** Podríamos introducir otros cambios que afecten a los miembros que actualmente toman

un medicamento. Por ejemplo, podemos retirar un medicamento de marca del Formulario cuando agregamos un equivalente genérico o retirar un producto biológico original cuando agregamos un biosimilar. También podemos aplicar nuevas restricciones al medicamento de marca o al producto biológico original. Podríamos introducir cambios a partir de pautas clínicas nuevas. Si retiramos medicamentos de nuestro Formulario, agregamos restricciones sobre autorización previa, límites de cantidad o tratamientos escalonados en relación con un medicamento, debemos notificar sobre el cambio a los miembros afectados con al menos 30 días de anticipación a que entre en vigencia el cambio. Como opción, cuando un miembro solicita un resurtido del medicamento, puede recibir un suministro del medicamento para 30 días y un aviso del cambio.

Si implementamos estos otros cambios, usted o la persona autorizada a dar recetas pueden solicitarnos que hagamos una excepción para usted y sigamos cubriendo el medicamento que ha estado tomando. El aviso que le enviemos también incluirá información sobre cómo solicitar una excepción; además, puede encontrar información en la siguiente sección “¿Cómo solicito una excepción al Formulario de Elderplan?”.

Cambios que no lo afectarán si actualmente toma el medicamento. Por lo general, si usted toma un medicamento de nuestro Formulario para 2026 que estaba cubierto al comienzo del año, no discontinuaremos ni reduciremos la cobertura de ese medicamento durante el año de cobertura 2026, a menos que se trate de alguno de los casos mencionados anteriormente. Esto significa que estos medicamentos continuarán disponibles al mismo costo compartido y sin restricciones nuevas para aquellos miembros que lo tomen durante el resto del año de cobertura. Este año no recibirá un aviso directo sobre cambios que no le afecten. Sin embargo, el 1 de enero del próximo año,

dichos cambios lo afectarían, y es importante consultar el Formulario del año nuevo de beneficios para ver si hay cambios en los medicamentos.

El Formulario adjunto está vigente a partir de la 09/01/2026. Para recibir información actualizada sobre los medicamentos cubiertos por nuestro plan, comuníquese con nosotros. Nuestra información de contacto aparece en las páginas de la portada y la contraportada.

En caso de que nuestro plan realice a mitad de año un cambio en el Formulario no relacionado con los medicamentos de mantenimiento, los formularios se actualizarán en nuestro sitio web con los cambios. Visite nuestro sitio web o llame a Servicios para los Miembros para obtener un Formulario impreso actualizado u obtener más información sobre el cambio en los medicamentos que no son de mantenimiento. La información de contacto aparece en las páginas de la portada y la contraportada.

¿Cómo utilizo el Formulario?

Hay dos formas para encontrar su medicamento en el Formulario:

Condición médica

El Formulario empieza en la página 1. Los medicamentos de este Formulario están agrupados en categorías según el tipo de condición médica para cuyo tratamiento se los emplea. Por ejemplo, los medicamentos utilizados para tratar una condición cardíaca se incluyen en la categoría “Cardiovascular”. Si sabe para qué se utiliza su medicamento, busque el nombre de la categoría en la lista que empieza en la página 1. Luego busque su medicamento debajo del nombre de la categoría.

Listado alfabético

Si no está seguro de qué categoría consultar, debe buscar su medicamento en el Índice que comienza en la página 87. El Índice proporciona una lista

alfabética de todos los medicamentos incluidos en este documento. En el Índice figuran tanto los medicamentos de marca como los genéricos. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información acerca de la cobertura. Vaya a la página que figura en el Índice y encuentre el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Nuestro plan cubre tanto los medicamentos de marca como los genéricos. Un medicamento genérico está aprobado por FDA dado que se considera que tiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan igual de bien y suelen tener un costo menor que los medicamentos de marca. Existen sustitutos genéricos disponibles para muchos medicamentos de marca. Según las leyes estatales, por lo general, los medicamentos genéricos se pueden sustituir por el medicamento de marca en la farmacia sin necesidad de una nueva receta.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el Formulario, cuando nos referimos a medicamentos, podemos estar mencionando un medicamento o un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos habituales. Dado que los productos biológicos son más complejos que los medicamentos habituales, en lugar de tener una forma genérica, tienen alternativas que se denominan biosimilares. En general, los biosimilares funcionan tan bien como el producto biológico original y pueden tener un costo menor. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, según las leyes estatales, pueden ser sustituidos por el producto

biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden ser sustituidos por medicamentos de marca.

- Para conocer sobre los tipos de medicamentos, consulte la Evidencia de cobertura, capítulo 5, sección 3.1, “La ‘Lista de medicamentos’ indica qué medicamentos de la Parte D están cubiertos”.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales de cobertura. Estos requisitos y límites pueden incluir los siguientes:

- **Autorización previa:** nuestro plan requiere que usted [o la persona autorizada a dar recetas] obtenga una autorización previa para determinados medicamentos. Esto significa que necesitará contar con la aprobación de nuestro plan antes de obtener sus medicamentos con receta. Si no consigue la autorización, es posible que nuestro plan no cubra el medicamento.
- **Límites de cantidad:** para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubrirá. Por ejemplo, nuestro plan provee 30 comprimidos por receta de Januvia 50 mg. Esto puede ser suplementario a un suministro estándar para un mes o tres meses.
- **Tratamiento escalonado:** en algunos casos, nuestro plan requiere que usted primero pruebe ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa enfermedad. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, es posible que nuestro plan no cubra el medicamento B, a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, entonces nuestro plan cubrirá el medicamento B.

Puede averiguar si su medicamento tiene requisitos adicionales o límites consultando el Formulario que empieza en la página 1. También puede obtener más

información sobre las restricciones que se aplican a medicamentos cubiertos específicos en nuestro sitio web. Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones en tratamientos escalonados. También puede pedirnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del Formulario, aparece en las páginas de la portada y la contraportada.

Puede pedirle a nuestro plan que haga una excepción a estas restricciones o límites o puede solicitarle una lista de otros medicamentos similares que puedan tratar su condición médica. Consulte la sección “¿Cómo solicito una excepción al Formulario de Elderplan?” en la página IV para obtener información acerca de cómo solicitar una excepción.

¿Qué pasa si mi medicamento no está en el Formulario?

Si el medicamento que toma no está incluido en este Formulario (lista de medicamentos cubiertos), primero debe comunicarse con el Departamento de Servicios para los Miembros y preguntar si su medicamento está cubierto. Para obtener más información, póngase en contacto con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización del Formulario, aparece en las páginas de la portada y la contraportada.

Si resulta que nuestro plan no cubre el medicamento que toma, tiene dos alternativas:

- Puede pedir al Departamento de Servicios para los Miembros una lista de medicamentos similares que cubra nuestro plan. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que cubra nuestro plan.
- Puede solicitarle a nuestro plan que haga una excepción y cubra el medicamento. Consulte más

abajo para obtener información sobre cómo solicitar una excepción.

¿Cómo solicito una excepción al Formulario de Elderplan?

Puede solicitarle a nuestro plan que haga una excepción a nuestras normas de cobertura. Son varios los tipos de excepciones que puede solicitarnos.

- Puede pedirnos que cubramos un medicamento, incluso si no está en nuestro Formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y usted no podrá pedirnos que proporcionemos el medicamento a un nivel de costo compartido menor.
- Puede pedirnos que no apliquemos una restricción de cobertura, incluida la autorización previa, el tratamiento escalonado o un límite de cantidad a su medicamento. Por ejemplo, para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que hagamos una excepción al límite y cubramos una cantidad mayor.

Por lo general, nuestro plan solo aprobará su solicitud de excepción si los medicamentos alternativos incluidos en el Formulario del plan o aplicar la restricción no sería tan efectivo para tratar su condición o le causarán efectos adversos.

Usted o la persona autorizada a dar recetas deben comunicarse con nosotros para solicitar una excepción al Formulario, incluida una excepción a una restricción de cobertura. **Cuando solicite una excepción, la persona autorizada a dar recetas deberá explicar las razones médicas por las que necesita la excepción.** Por lo general, debemos tomar una decisión dentro de las 72 horas a partir de la fecha en la que recibamos la declaración que respalda su solicitud por parte de la persona autorizada a dar recetas. Puede solicitar una decisión acelerada (rápida) si considera que esperar 72

horas para la decisión podría perjudicar gravemente su salud y nosotros estamos de acuerdo. Si estamos de acuerdo, o si la persona autorizada a dar recetas solicita una decisión rápida, debemos comunicarle nuestra decisión en un plazo máximo de 24 horas después de haber recibido la declaración que respalda su solicitud por parte de la persona autorizada a dar recetas.

¿Qué puedo hacer si mi medicamento no está en el Formulario o tiene una restricción?

Como miembro nuevo o permanente de nuestro plan, es posible que esté tomando medicamentos que no estén incluidos en el Formulario. También es posible que esté tomando un medicamento incluido en el Formulario, pero que tenga una restricción de cobertura, como una autorización previa. Debe hablar con la persona autorizada a dar recetas para solicitar una decisión de cobertura que demuestre que cumple con los criterios para la aprobación, cambiar a un medicamento alternativo que nosotros cubramos o solicitar una excepción al Formulario para que cubramos el medicamento que toma. Mientras evalúa con su médico el procedimiento adecuado para seguir en su caso, podemos cubrir su medicamento en determinadas situaciones durante los primeros 90 días en los que usted sea miembro de nuestro plan.

Para cada uno de sus medicamentos que no esté incluido en nuestro Formulario o que tenga una restricción de cobertura, cubriremos un suministro temporal para 30 días. Si su receta está indicada para menos días, permitiremos que obtenga resurtidos de los medicamentos hasta llegar a un suministro máximo del medicamento para 30 días. Si no se aprueba la cobertura, después del primer suministro para 30 días, no pagaremos por estos medicamentos, incluso si ha sido miembro del plan durante menos de 90 días.

Si reside en un centro de atención a largo plazo y

necesita un medicamento que no está en el Formulario o si su capacidad para conseguir los medicamentos es limitada, pero ya pasaron los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia del medicamento para 31 días mientras solicita la excepción al Formulario.

Miembro actual de un plan con cambios en el nivel de atención

Si usted ingresa en un centro de atención a largo plazo (LTC) y provenía de un lugar (hogar) como paciente externo, de un hospital o de otro centro de LTC, cubriremos un suministro de transición temporal para 31 días (a menos que tenga una receta para menos días) para cada medicamento que no esté en nuestro Formulario o tenga restricciones o límites de cobertura.

Si deja el centro de LTC o el hospital y regresa a su hogar como paciente externo, cubriremos un suministro temporal para 30 días (a menos que tenga una receta para menos días) después del alta, para cada medicamento que no esté incluido en nuestro Formulario o que tenga restricciones o límites de cobertura.

Tenga en cuenta que nuestra política de transición se aplica únicamente a aquellos medicamentos que se incluyen como “medicamentos de la Parte D” y que se surten en una farmacia de la red.

El Formulario de nuestro plan

El Formulario que empieza en la página 1 proporciona información de cobertura acerca de los medicamentos cubiertos por nuestro plan. Si tiene dificultades para encontrar el medicamento que toma en la lista, consulte el Índice que comienza en la página 87.

En la primera columna de la tabla se menciona el nombre del medicamento. Los medicamentos de marca están en mayúsculas (p. ej., LANOXIN) y los medicamentos genéricos figuran en letra cursiva minúscula (p. ej., *digoxin*).

La información incluida en la columna de Requisitos/Límites indica si nuestro plan tiene algún requisito especial para la cobertura del medicamento.

BD, autorización previa de B frente a D: es posible que determinados medicamentos estén cubiertos por la Parte B o D de Medicare, según las circunstancias. Para tomar la decisión, se deberá enviar información que incluya la descripción del uso y la situación en que se administra el medicamento.

PA, autorización previa: usted o su médico deben obtener la autorización previa de nuestro plan para determinados medicamentos. Esto significa que necesitará contar con la aprobación de nuestro plan antes de obtener sus medicamentos con receta. Si no consigue la autorización, es posible que nuestro plan no cubra el medicamento.

QL, límites de cantidad: para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubrirá. Por ejemplo, nuestro plan provee 30 comprimidos por receta de Januvia. El límite de cantidad se indica en la cantidad entregada para días de suministro.

ST, tratamiento escalonado: nuestro plan requiere que usted primero pruebe ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa condición médica. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, es posible que nuestro plan no cubra el medicamento B, a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, nuestro plan cubrirá el medicamento B.

NM: estos medicamentos NO se encuentran disponibles a través del pedido por correo.

NDS: suministro en días no extendido. Ciertos medicamentos especializados estarán limitados a un suministro para 30 días como máximo por surtido.
