Para obtener una Lista de medicamentos actualizada (Formulario), póngase en contacto con nosotros. Nuestra información de contacto, junto con la fecha en que actualizamos la Lista de medicamentos (Formulario), aparece en las páginas de la portada y la contraportada.

Por lo general, debe utilizar las farmacias de la red para utilizar el beneficio de medicamentos con receta. Los beneficios, el Formulario, la red de farmacias y los copagos o el coseguro pueden cambiar el 1 de enero de 2025 y, de tiempo a tiempo, durante el año.

¿Qué es el Formulario de Elderplan?

En este documento, usamos la Lista de medicamentos y el Formulario para decir lo mismo. Un formulario es una lista de medicamentos cubiertos seleccionados por nuestro plan en consulta con un equipo de proveedores de atención médica, que representa las terapias con receta que se consideran una parte necesaria de un programa de tratamiento de calidad. Nuestro plan cubrirá, por lo general, los medicamentos que figuran en nuestro Formulario, siempre y cuando el medicamento sea médicaamente necesario, se obtenga la receta en la farmacia de la red del plan y otras normas del plan se sigan. Para obtener más información sobre cómo obtener sus medicamentos con receta, consulte la Evidencia de cobertura.

¿Puede cambiar el Formulario?

La mayoría de los cambios en la cobertura para medicamentos ocurren el 1 de enero, pero podemos agregar o retirar medicamentos de nuestra Lista de medicamentos durante el año, pasarlos a un nivel de costo compartido diferente o agregar restricciones nuevas. Para realizar estos cambios, debemos cumplir con las normas de Medicare. Las actualizaciones del Formulario se publican mensualmente en nuestro sitio web: www.elderplan.org.

Cambios que pueden afectarlo este año: En los siguientes casos, usted se verá afectado por cambios de cobertura durante el año:

- **Sustituciones inmediatas de ciertas versiones nuevas de medicamentos de marca y productos biológicos originales.** Eliminaremos el medicamento del Formulario de inmediato si lo reemplazamos con una determinada versión nueva de ese medicamento que aparecerá en el mismo nivel de costo compartido o en uno inferior y con las mismas o menos restricciones. Cuando agreguemos una nueva versión del medicamento al Formulario, podemos decidir conservar el medicamento de

marca o el producto biológico original en nuestro Formulario, pero lo pasaremos de inmediato a un nivel de costo compartido diferente o agregaremos restricciones nuevas.

Podemos hacer estos cambios inmediatos solo si agregamos una nueva versión genérica de un medicamento de marca, o añadimos ciertas versiones nuevas biosimilares de un producto biológico original, que ya estaba en el Formulario (por ejemplo, agregar una versión biosimilar intercambiable que pueda reemplazarse en una farmacia por un producto biológico original sin una receta nueva).

Si actualmente toma un medicamento de marca, o producto biológico original, podríamos no informarle antes de realizar un cambio inmediato, pero posteriormente le proporcionaremos información sobre los cambios específicos que realizamos.

Si realizamos ese cambio, usted o la persona autorizada a dar recetas pueden pedirnos que hagamos una excepción y sigamos cubriendo el medicamento que está siendo cambiado. Para obtener más información, consulte la sección a continuación titulada “Cómo solicitar una excepción al Formulario de Elderplan”.

Algunos de estos medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección a continuación titulada “¿Qué son los productos biológicos originales y cómo se relacionan con las versiones biosimilares?”

- **Medicamentos retirados del mercado.** Si un medicamento se retira de la venta por parte del fabricante o la Administración de Alimentos y Medicamentos (FDA) determina su retiro por razones de seguridad o eficacia, podemos retirar el medicamento de inmediato y después proporcionar un aviso a los miembros que toman dicho medicamento.

• **Otros cambios.** Podríamos introducir otros cambios que afecten a los miembros que actualmente toman un medicamento. Por ejemplo, podemos quitar un medicamento de marca del Formulario si agregamos un equivalente genérico o eliminar un producto biológico original si agregamos una versión biosimilar. También podemos aplicar nuevas restricciones al medicamento de marca o al producto biológico original, o pasarlo a un nivel de costo compartido diferente, o ambas cosas. Podemos introducir cambios a partir de pautas clínicas nuevas. Si quitamos los medicamentos del Formulario, agregamos autorización previa, límites de cantidades o restricciones de tratamiento escalonado sobre un medicamento, o pasamos un medicamento a un nivel de costo compartido superior, debemos notificar a los miembros afectados por el cambio al menos 30 días antes de que el cambio entre en vigencia. Alternativamente, cuando un miembro solicita el resurtido del medicamento, pueden recibir un suministro para 30 días del medicamento y un aviso sobre el cambio.

Si realizamos estos otros cambios, usted o la persona autorizada a dar recetas pueden pedirnos que hagamos una excepción y sigamos cubriendo el medicamento que ha estado tomando. El aviso que le envíemos también incluirá información sobre cómo solicitar una excepción; además, puede encontrar información en la siguiente sección titulada “Cómo solicitar una excepción al Formulario de Elderplan”.

Cambios que no lo afectarán si actualmente toma el medicamento. Por lo general, si usted toma un medicamento de nuestro Formulario para 2025 que estaba cubierto al comienzo del año, no discontinuaremos ni reduciremos la cobertura de ese medicamento durante el año de cobertura 2025, a menos que se trate de alguno de los casos mencionados anteriormente. Esto significa que estos medicamentos continuarán disponibles al mismo costo compartido y

sin restricciones nuevas para aquellos miembros que los tomen durante el resto del año de cobertura. Este año no recibirá un aviso directo sobre cambios que no lo afecten. Sin embargo, el 1 de enero del próximo año, tales cambios lo afectarán, y es importante consultar el Formulario para el año nuevo de beneficios para ver si hay cambios en los medicamentos.

El Formulario adjunto está vigente al 08/01/2025. Para obtener información actualizada sobre los medicamentos cubiertos por nuestro plan, póngase en contacto con nosotros. Aparece nuestra información de contacto en las páginas de la portada y la contraportada.

En caso de que nuestro plan realice un cambio en el Formulario de no mantenimiento a mediados del año, los formularios se actualizarán en nuestro sitio web con los cambios. Visite nuestro sitio web o llame a Servicios para los Miembros para obtener un Formulario impreso actualizado o para obtener más información sobre el cambio en medicamentos que no sean de mantenimiento. Aparece la información de contacto en las páginas de la portada y la contraportada.

¿Cómo uso el Formulario?

Hay dos maneras de encontrar su medicamento en el Formulario:

Condición médica

El Formulario comienza en la página 1. Los medicamentos de este Formulario se agrupan en categorías según el tipo de condiciones médicas que se utilizan para tratar. Por ejemplo, los medicamentos utilizados para tratar una condición cardíaca se incluyen en la categoría “Cardiovascular”. Si sabe para qué se usa su medicamento, busque el nombre de categoría en la lista que comienza en la página 1. Luego consulte el nombre de la categoría para su medicamento.

Listado alfabético

Si no está seguro de qué categoría consultar, debe buscar su medicamento en el Índice que comienza en la página 86. El Índice proporciona una lista alfabética de todos los medicamentos incluidos en este documento. Tanto los medicamentos de marca como los medicamentos genéricos se enumeran en el Índice. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página donde puede encontrar información acerca de la cobertura. Consulte la página que aparece en el Índice y encuentre el nombre del medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Nuestro plan cubre tanto medicamentos de marca como medicamentos genéricos. Un medicamento genérico está aprobado por la FDA dado que se considera que tiene los mismos ingredientes activos que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan igual de bien y, generalmente, cuestan menos que los medicamentos de marca. Hay sustitutos de medicamentos genéricos disponibles para muchos medicamentos de marca. Por lo general, los medicamentos genéricos pueden reemplazar el medicamento de marca en la farmacia sin necesidad de una nueva receta, dependiendo de las leyes estatales.

¿Qué son los productos biológicos originales y cómo se relacionan con las versiones biosimilares?

En el Formulario, cuando hacemos referencia a los “medicamentos”, esto podría indicar un medicamento o un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Debido a que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se denominan “versiones biosimilares”. Por lo general, las

versiones biosimilares funcionan igual que el producto biológico original y pueden costar menos. Existen alternativas de versiones biosimilares para algunos productos biológicos originales. Algunas versiones biosimilares son intercambiables y, dependiendo de las leyes estatales, pueden reemplazarse por el producto biológico original en la farmacia sin necesidad de una nueva receta, como los medicamentos genéricos pueden sustituirse por los medicamentos de marca.

- Para obtener información sobre los tipos de medicamentos, consulte la Evidencia de cobertura, sección 3.1 del Capítulo 5, “La Lista de medicamentos indica qué medicamentos de la Parte D están cubiertos”.

¿Hay alguna restricción en mi cobertura?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales de cobertura. Estos requisitos y límites pueden incluir los siguientes:

- **Autorización previa:** nuestro plan exige que usted o la persona autorizada a dar recetas obtengan una autorización previa para determinados medicamentos. Esto significa que necesitará contar con la aprobación de nuestro plan antes de obtener sus medicamentos con receta. Si no consigue la autorización, es posible que nuestro plan no cubra el medicamento.
- **Límites de cantidad:** para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubrirá. Por ejemplo, nuestro plan provee 30 comprimidos por receta de Januvia 50 mg. Esto puede ser suplementario a un suministro estándar para un mes o tres meses.
- **Tratamiento escalonado:** en algunos casos, nuestro plan requiere que usted primero pruebe ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa enfermedad. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, es

posible que nuestro plan no cubra el medicamento B, a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, entonces nuestro plan cubrirá el medicamento B.

Puede averiguar si su medicamento tiene requisitos adicionales o límites consultando el Formulario que empieza en la página 1. También puede obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos en nuestro sitio web. Hemos publicado documentos en línea que explican nuestra autorización previa y las restricciones en tratamientos escalonados. También puede pedirnos que le envíemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del Formulario, aparece en las páginas de la portada y la contraportada.

Puede pedirle a nuestro plan que haga una excepción a estas restricciones o límites o puede solicitarle una lista de otros medicamentos similares que puedan tratar su condición médica. Consulte la sección “Cómo solicitar una excepción al Formulario de Elderplan” en la página IV para obtener información acerca de cómo solicitar una excepción.

¿Qué sucede si mi medicamento no está en el Formulario?

Si el medicamento que toma no está incluido en este Formulario (lista de medicamentos cubiertos), primero debe comunicarse con el Departamento de Servicios para los Miembros y preguntar si su medicamento está cubierto.

Si resulta que nuestro plan no cubre el medicamento que toma, tiene dos alternativas:

- Puede pedir a Servicios para los Miembros una lista de medicamentos similares que cubra nuestro plan. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que cubra nuestro plan.

- Puede solicitar a nuestro plan que haga una excepción y cubra su medicamento. Consulte más abajo para obtener información sobre cómo solicitar una excepción.

Cómo solicitar una excepción al Formulario de Elderplan

Puede solicitar a nuestro plan que haga una excepción a nuestras normas de cobertura. Hay varios tipos de excepciones que puede pedirnos que hagamos.

- Puede pedirnos que cubramos un medicamento incluso si no está en nuestro Formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y usted no podrá pedirnos que proporcionemos el medicamento a un nivel de costo compartido menor.
- Puede pedirnos que no apliquemos una restricción de cobertura, incluida la autorización previa, la terapia escalonada o un límite de cantidad en su medicamento. Por ejemplo, para ciertos medicamentos, nuestro plan limita la cantidad de medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede solicitarnos que eliminemos el límite y cubramos una mayor cantidad.
- Puede solicitarnos que cubramos un medicamento del Formulario a un nivel de costo compartido menor. Puede solicitarnos que cubramos un medicamento al nivel de costo compartido más bajo, a menos que el medicamento esté en el nivel de especialidad. Si se aprueba, esto reduciría el monto que debe pagar por el medicamento.

Por lo general, nuestro plan solo aprobará su solicitud de una excepción si los medicamentos alternativos incluidos en el Formulario del plan, el medicamento de costo compartido más bajo o la aplicación de la restricción no fueran igual de eficaces para usted o le causaran efectos adversos.

Usted o la persona autorizada a dar recetas deben ponerse en contacto con nosotros para solicitar un nivel o, una excepción al Formulario, incluida una excepción a una restricción de cobertura. Cuando solicita una excepción, la persona autorizada a dar recetas deberá explicar las razones médicas por las que necesita la excepción. Por lo general, debemos tomar nuestra decisión en un plazo de 72 horas después de recibir la declaración que respalda su declaración de respaldo de la persona autorizada a dar recetas. Puede pedir una decisión acelerada (rápida) si cree y aceptamos que su salud se podría perjudicar seriamente si espera hasta 72 horas por una decisión. Si aceptamos o si la persona autorizada a dar recetas solicita una decisión rápida, debemos darle una decisión no más allá de las 24 horas después de recibir la declaración que respalda su solicitud.

¿Qué puedo hacer si mi medicamento no está en el Formulario o tiene una restricción?

Como miembro nuevo o continuo de nuestro plan, puede estar tomando medicamentos que no están en el Formulario. O puede estar tomando un medicamento que está en nuestro Formulario, pero tiene una restricción de cobertura, como la autorización previa. Debe hablar con la persona autorizada a dar recetas acerca de solicitar una decisión de cobertura para demostrar que cumple con los criterios de aprobación, cambiarse a un medicamento alternativo que cubrimos o solicitar una excepción al Formulario para que cubramos el medicamento que toma. Si bien usted y su médico determinan el curso correcto de acción para usted, podemos cubrir su medicamento en ciertos casos durante los primeros 90 días en que usted es miembro de nuestro plan.

Para cada uno de sus medicamentos que no figuren en nuestro Formulario o tengan una restricción de cobertura, cubriremos un suministro temporal para

30 días. Si su receta está indicada para menos días, le permitiremos resurtir hasta llegar a un máximo de un suministro para 30 días del medicamento. Si la cobertura no se aprueba, después de su primer suministro para 30 días, no pagaremos estos medicamentos, incluso si ha estado inscrito en el plan menos de 90 días.

Si usted es residente de un centro de atención a largo plazo y necesita un medicamento que no figura en el Formulario o si su capacidad para obtener sus medicamentos es limitada, pero usted está pasado de los primeros 90 días de la membresía en nuestro plan, cubriremos un suministro de ese medicamento para 31 días mientras obtenga una excepción al Formulario.

Miembros existentes en el plan con niveles de cambios en la atención

Si usted ingresa en un centro de atención a largo plazo (LTC) y provenía de un lugar (hogar) como paciente externo, de un hospital o de otro centro de LTC, cubriremos un suministro de transición temporal para 31 días (a menos que tenga una receta para menos días) para cada uno de los medicamentos que no esté incluidos en nuestro Formulario o que tengan restricciones o límites de cobertura.

Si deja el centro de LTC o el hospital y regresa a su hogar como paciente externo, cubriremos un suministro temporal para 30 días (a menos que tenga una receta para menos días) después del alta, para cada uno de los medicamentos que no están incluidos en nuestro Formulario o que tienen restricciones o límites de cobertura.

Tenga en cuenta que nuestra política de transición se aplica únicamente a aquellos medicamentos que se refieren a los “medicamentos de la Parte D” y que se surten en una farmacia de la red.

Formulario del plan

El Formulario que comienza en la página 1 proporciona información de cobertura sobre los medicamentos cubiertos por nuestro plan. Si tiene dificultades para encontrar el medicamento que toma en la lista, consulte el Índice que comienza en la página 86.

La primera columna de la tabla enumera el nombre del medicamento. Los medicamentos de marca están capitalizados (por ejemplo, LANOXIN) y los medicamentos genéricos se enumeran en los casos más bajos (por ejemplo, digoxin).

La información en la columna Requisitos/Límites le indica si nuestro plan tiene algún requisito especial para la cobertura de su medicamento.

BD, autorización previa de B frente a D: ciertos medicamentos pueden estar cubiertos por la Parte B o la Parte D de Medicare según las circunstancias. La información debe presentarse en la descripción del uso y el establecimiento del medicamento para tomar la determinación.

PA, autorización previa: ciertos medicamentos requieren que usted o su médico obtengan la autorización previa de nuestro plan. Esto significa que deberá obtener la aprobación de nuestro plan antes de obtener medicamentos con receta. Si no consigue la autorización, es posible que nuestro plan no cubra el medicamento.

QL, límites de cantidad: para ciertos medicamentos, nuestro plan limita la cantidad de medicamento que cubrirá nuestro plan. Por ejemplo, nuestro plan proporciona 30 comprimidos por receta para Januvia. El límite de cantidades se indica en el monto suministro durante los días de suministro.

ST, tratamiento escalonado: nuestro plan requiere que usted primero pruebe ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para esa condición médica. Por ejemplo, si el medicamento A y el medicamento B tratan su condición médica, es posible que nuestro plan no cubra el medicamento B, a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para usted, entonces nuestro plan cubrirá el medicamento B.

NM: estos medicamentos NO se encuentran disponibles a través del pedido por correo.

NDS: suministro en días no extendido. Ciertos medicamentos especializados estarán limitados a un suministro para 30 días como máximo por surtido.

Montos de costos compartidos de la Parte D

Consulte su Evidencia de cobertura (EOC) para obtener información adicional sobre el **deducible** o la **prima de la Parte D** que pueden aplicarse a su Parte D.
